

Hoosier Auto Racing Fans

Established in 1951

WHAT IS H.A.R.F.?

Hoosier Auto Racing Fans is one of the oldest and largest pure racing fan clubs in the United States. HARF was organized in 1951 by race drivers and race officials as a way for their families and friends to be more involved in the days racing events as their husbands, fathers or friends participated on the track. Many years have passed and the club has evolved and grown into what it is today, a group of race fans, dedicated to enjoying and advancing auto racing in any way we can. What we do for the racers is that we support them by attending the races, we honor the HARF Night victors with a club t-shirt and a year's membership to the club, and at years' end a huge Champions Banquet, honoring track Champions, sanctioning body Champions and our club's chosen awards, such as Driver of the Year, Sportsmanship Award, Most Improved Award, the Emma and Joie Ray Award for Courage and many more. For the race tracks, we add to their attendance, and hopefully, introduce new fans to their fine facilities. We think once we introduce a new race fan to a local race track, that they will be back more often. And to our members, we offer hundreds of dollars in savings throughout the year with discounted nights at many of our local racetracks courtesy of the track management. Our members also enjoy newsletters, Driver of the Year decal, Race Shop tours and concluding with our Champions Award Banquet in the winter. Membership in the club also includes 1 free Indy 500 Qualification pass, good for May qualifications.

If you enjoy local racing and want to be a member of a group of fans dedicated to preserving and advancing auto racing and save a bunch of money while you go to the race, think about joining HARF. For only \$20 a year to belong, it's the best deal in town.
